Quarterly Product Review

July 13, 2026 at 3:00 PM / 53 min / Jordan Lee

FULL TRANSCRIPT

180 conversation turns / 53 min

Me / 00:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 0.

Jordan / 00:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 1.

Me / 00:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 2.

Jordan / 00:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 3.

Me / 01:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 4.

Jordan / 01:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 5.

Me / 01:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 6.

Jordan / 02:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 7.

Me / 02:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 8.

Jordan / 02:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 9.

Me / 03:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 10.

Jordan / 03:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 11.

Me / 03:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 12.

Jordan / 03:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 13.

Me / 04:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 14.

Jordan / 04:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 15.

Me / 04:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 16.

Jordan / 05:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 17.

Me / 05:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 18.

Jordan / 05:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 19.

Me / 06:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 20.

Jordan / 06:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 21.

Me / 06:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 22.

Jordan / 06:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 23.

Me / 07:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 24.

Jordan / 07:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 25.

Me / 07:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 26.

Jordan / 08:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 27.

Me / 08:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 28.

Jordan / 08:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 29.

Me / 09:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 30.

Jordan / 09:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 31.

Me / 09:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 32.

Jordan / 09:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 33.

Me / 10:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 34.

Jordan / 10:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 35.

Me / 10:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 36.

Jordan / 11:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 37.

Me / 11:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 38.

Jordan / 11:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 39.

Me / 12:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 40.

Jordan / 12:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 41.

Me / 12:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 42.

Jordan / 12:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 43.

Me / 13:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 44.

Jordan / 13:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 45.

Me / 13:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 46.

Jordan / 14:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 47.

Me / 14:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 48.

Jordan / 14:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 49.

Me / 15:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 50.

Jordan / 15:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 51.

Me / 15:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 52.

Jordan / 15:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 53.

Me / 16:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 54.

Jordan / 16:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 55.

Me / 16:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 56.

Jordan / 17:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 57.

Me / 17:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 58.

Jordan / 17:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 59.

Me / 18:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 60.

Jordan / 18:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 61.

Me / 18:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 62.

Jordan / 18:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 63.

Me / 19:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 64.

Jordan / 19:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 65.

Me / 19:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 66.

Jordan / 20:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 67.

Me / 20:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 68.

Jordan / 20:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 69.

Me / 21:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 70.

Jordan / 21:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 71.

Me / 21:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 72.

Jordan / 21:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 73.

Me / 22:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 74.

Jordan / 22:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 75.

Me / 22:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 76.

Jordan / 23:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 77.

Me / 23:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 78.

Jordan / 23:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 79.

Me / 24:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 80.

Jordan / 24:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 81.

Me / 24:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 82.

Jordan / 24:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 83.

Me / 25:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 84.

Jordan / 25:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 85.

Me / 25:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 86.

Jordan / 26:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 87.

Me / 26:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 88.

Jordan / 26:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 89.

Me / 27:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 90.

Jordan / 27:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 91.

Me / 27:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 92.

Jordan / 27:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 93.

Me / 28:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 94.

Jordan / 28:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 95.

Me / 28:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 96.

Jordan / 29:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 97.

Me / 29:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 98.

Jordan / 29:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 99.

Me / 30:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 100.

Jordan / 30:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 101.

Me / 30:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 102.

Jordan / 30:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 103.

Me / 31:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 104.

Jordan / 31:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 105.

Me / 31:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 106.

Jordan / 32:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 107.

Me / 32:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 108.

Jordan / 32:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 109.

Me / 33:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 110.

Jordan / 33:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 111.

Me / 33:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 112.

Jordan / 33:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 113.

Me / 34:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 114.

Jordan / 34:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 115.

Me / 34:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 116.

Jordan / 35:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 117.

Me / 35:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 118.

Jordan / 35:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 119.

Me / 36:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 120.

Jordan / 36:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 121.

Me / 36:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 122.

Jordan / 36:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 123.

Me / 37:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 124.

Jordan / 37:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 125.

Me / 37:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 126.

Jordan / 38:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 127.

Me / 38:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 128.

Jordan / 38:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 129.

Me / 39:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 130.

Jordan / 39:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 131.

Me / 39:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 132.

Jordan / 39:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 133.

Me / 40:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 134.

Jordan / 40:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 135.

Me / 40:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 136.

Jordan / 41:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 137.

Me / 41:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 138.

Jordan / 41:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 139.

Me / 42:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 140.

Jordan / 42:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 141.

Me / 42:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 142.

Jordan / 42:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 143.

Me / 43:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 144.

Jordan / 43:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 145.

Me / 43:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 146.

Jordan / 44:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 147.

Me / 44:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 148.

Jordan / 44:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 149.

Me / 45:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 150.

Jordan / 45:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 151.

Me / 45:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 152.

Jordan / 45:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 153.

Me / 46:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 154.

Jordan / 46:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 155.

Me / 46:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 156.

Jordan / 47:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 157.

Me / 47:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 158.

Jordan / 47:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 159.

Me / 48:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 160.

Jordan / 48:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 161.

Me / 48:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 162.

Jordan / 48:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 163.

Me / 49:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 164.

Jordan / 49:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 165.

Me / 49:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 166.

Jordan / 50:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 167.

Me / 50:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 168.

Jordan / 50:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 169.

Me / 51:00
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 170.

Jordan / 51:18
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 171.

Me / 51:36
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 172.

Jordan / 51:54
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 173.

Me / 52:12
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 174.

Jordan / 52:30
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 175.

Me / 52:48
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 176.

Jordan / 53:06
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 177.

Me / 53:24
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 178.

Jordan / 53:42
This is a representative transcript turn about the launch plan, customer feedback, dependencies, and the next concrete decision number 179.
